RE: Tier 3 Annual Personal Financial Disclosure Statement for calendar years

Waiver Request to the Board of Ethics for 2019.

This was my first time holding a position in public office and did not know what was expected of me. I did not know I had to produce a Tier 3 personal report each year until I started receiving a delinquency notice in February 2018 for 350.00. I filled them out as quickly as possible and at that time asked for the fees to be waived and they were.

I got the job as District 3 Alder women for ST. Joseph because no one else wanted to do it. I think the job as Alder women is basically a volunteer position because of the big responsibility and the small pay. Salary was \$125.00 gross / \$115.00 net. I was asked to run for the position and was unopposed.

February, 2020 I turned in a letter of resignation from the Town of ST. Joseph Board of Alderman to be effective immediately due to the following. Just when I started getting into the role of an Alderman my husband Donald R. Shields fell with a shoulder injury. He began seeing Dr. Fairbank a pain management doctor in Vidalia, LA. and was put on Opioid as part of his treatment. He became addictive to it. My husband even got arrested and I was abused. At one point and time I even called the DA office seeking help.

The Alderman position for ST. Joseph is not about the pay (\$125.00 per month and receiving \$115.39 per month) I was doing it for the community. There's a collection agency calling saying I owe \$1500.00 that they are trying to collect and that's about a year gross pay for that position. I don't have it so I'm asking for help with matter.
